We have checked over 4m Taxi, Hackney, Private Hire and Public Sector Vehicle records collected from local Councils, Police, Fire and Ambulance Services throughout the UK and do not have a Taxi, Hackney, Private Hire or Public Sector Vehicle record on file for this vehicle.

However, please note that this does not guarantee that the vehicle was not previously used as a Taxi, Hackney, Private Hire or Public Sector Vehicle in the UK. It only indicates that there is no record of it being used for that purpose based on the available records from local Councils and Authorities. Another possible indicator of a vehicle being a taxi is an MOT test being performed once per year. Please double check the MOT data for this vehicle.

Keeper Changes

The number of owners for this vehicle is either in line or below the average for a vehicle of its age.

If the information regarding 'dates of sale' demonstrates that there were more sales than owners, this may be explained by the fact that some vehicle keepers (e.g. a motor dealer) are not recorded as 'owners' on the vehicle's history.
